Contract Placement

Why pay the workers when you don't really need them?

Our contract staffing solution can helps your business by providing short/long term contract workers only for the time that you may need. Hiring smart and by decreasing the labor force when you don't need them, you can actually minimize you overheads. And when you need then back, we are just a phone call away.

Contract to Hire

Contract-to-hire staffing helps your business by acting as a bridge to full-time employment. It is an excellent opportunity to evaluate a candidate in your corporate culture before enrolling them on your regular payroll, benefits and time spent training.

How it will work

- ✚ We will recruit and pre-screen candidates for your open position based on your qualifications and requirements.
- ✚ Qualified candidates will be submitted for your approval.
- ✚ Candidates will go through your hiring process. (Individual Interviews, Group Interviews, Phone Interviews etc.)
- ✚ If hired, your new resource will work for you during a temporary trial period.
- ✚ At the end of the trial period you will have an option to hire the employee full time.

Direct Hire

Direct Hire helps your business by conducting well executed recruitment and evaluation of candidates. We will provide pre-screened, qualified candidates who meet your requested qualifications for direct hiring. The carefully executed evaluation process permits us to confidently send the best employees to you.

Ensuring Right people with the right skills at the right place

No matter what kind of business you are in, having the right people determines your success or failure. To ensure that you are getting the right people with right skills, we perform rigorous screening and evaluation of all our candidates. Our screening and evaluation process includes
